To view live Court Sheets for day of through 3 days in advance, select Review a Court Sheet under the "Review" tab.

PLEASE KINDLY REMEMBER:

- You receive ONE point when you play in any request or booking. No points are received for an Event Requests.
- Requests are **NOT** first come, first served. You get priority based on your UNIT PLAYING AVERAGE (less points = higher priority) **NOT** how early you submitted your request. This recognizes each player's points in the requested group, adds them together, and divides by the number of players to get the average. Please be aware of who you are requesting court times with based off their point totals.
- Points are accumulated over a rolling, two-week basis (i.e. a day by day 14 week cycle). The number of points you acquire in the 14 days prior to your requested date will determine your priority level.
