

GOLF COURSE MASTER DESIGN SUB COMMITTEE CHARTER

Purpose:

The Golf Course Master Design Sub Committee is responsible to the WCC Master Board of Directors for advising on the future direction and development of the Worthington Golf Course.

This Sub Committee operates as an ad hoc group and will conduct open meetings to provide input and feedback to the Golf Course Architect.

Meetings will be scheduled in advance. The Sub Committee serves in an advisory capacity only and does not have authority to establish rules, protocols, or policies unless the Chair determines it is appropriate to forward recommendations to the Greens and Grounds Committee, the Golf Committee, or the Master Board.

Responsibilities:

- Attend scheduled meetings in person or via Zoom.

Composition:

- One Chairperson, appointed by the President and approved by the Master Board.
- Fifteen to twenty members representing a cross-section of the community, including both men and women with a wide range of golf handicaps.

Membership Requirement:

All Sub Committee members must complete a Committee Application and submit it to the Administration Office, either in person or via email.
