## **The Spring Season!**

Worthington had its first teams playing in the Leagues for Pickleball traveling league this Winter and Spring seasons. The Women's 3.0 team played in both the Winter and Spring and won at least one match in each season. The Men's 3.5 team played in the Winter league. They both played their home matches at Challenge America.

If you see anyone who played on these travel teams congratulate them for being the first teams to represent Worthington in pickleball!

Many residents have been playing Pickleball on community courts when invited or if they live in a neighborhood that has Pickleball. If you're interested in trying the sport or joining a game, you might find opportunities by connecting with your neighbors who already play.

I have worked out a deal with Challenge America for court rentals of \$15/hr. for one court (you can have as many players as you want to use this court for the time you reserve). You can reserve as many courts as you wish or a longer playing time when you call them at 239-663-1813. If you are a YMCA member or become one in Bonita Springs (off East Terry Street just east of 75), they have courts you can rent and play on if available.

I hope everyone enjoyed these reports during the Season and look for updates during the Summer months. See you all this coming Fall, Tom Hughes
