Pickleball Today

Well, we will have community pickleball courts by 2028. The vote was 400 for pickleball courts and only 247 against them! Your friends and neighbors came out in force to make this happen! So, when you get back to Worthington or if you are still there, please thank the members of the Master Board for all the hard work they put into making this happen!

With this in mind, I know the Ladies 3.0 team will be playing in the Fall, Winter and Spring seasons this coming season. The Men's 3.5 team might play as a 3.0 team next Winter season. But either way if others want to play travel pickleball please

contact Mary Howenstine or Brad Suprenant about those two teams, or contact Tom Hughes 2tahughes@gmail.com about starting a new travel team. Play starts in the Fall, around the second week in October; Winter starts about the second week in January, and the Spring season starts around the third week in March. There are leagues from 2.5, 3.0, 3.5, and 4.0 for both Men and Women and Mixed teams.

I hope you have all found places to play this Summer and welcome back to Worthington in either late September or early October. Take care!
