The CCWTA spring championship tournament was held at Heritage Bay this past weekend. Linda Zimmer and Mary Maloy represented Worthington in the 3.0 division, as they were the top two players after a 7-week round robin. The format of the 12-team championship was single elimination, a 4-game fast set.

In the first round, Linda and Mary defeated Naples YMCA in two sets. In Quarterfinal action they were once again victorious against Longshore Lake in the third set tiebreaker. In semifinal action, they lost in a second set tiebreaker to another Naples YMCA team.

Congratulations and thank you to Diana Mayette for getting WCC to be part of this league.
